The Company reserves the right to change the annuity bonus structures on an annual basis. This bonus is based on annuity production with a production date between 01/01/2025 - 12/31/2025. The bonus is paid as qualifying production credit levels are met. The bonus will be calculated and paid quarterly, with the first payment occurring in April 2025. The attained bonus percentage will be paid on all production retroactive to the beginning of the calendar year as bonus levels are attained. Policy counts and production will be based on split policy percentage issued to each agent. No production credit will be included or bonus paid on internal replacements. Based on an individual agent's written production and paid to the writing agent. Quarterly annuity bonuses will be paid within 30 days of the end of the qualifying quarter. Paid through direct deposit. Solicitors who qualify, bonus will be paid to their upline. Registered representatives are subject to the rules of their broker-dealer and may not be eligible. Please check with your marketing organization for eligibility. ANICO ML agents are not eligible. Not Available for New York production. American National Insurance Company, Galveston, Texas.
